# Report of Fire Chief

---

During the past year two women from the Auxiliary, Mrs. Klein and Mrs. Robbins completed the First Aid Course approved by the Meadowood Fire Dep't. They are trained to use our Resuscitator and are also being trained to use the radios on the fire trucks.

We purchased four Monitors to use in conjunction with our radios on the trucks. We also contributed part of the cost of the artesian well at the Veteran's Hall. With the help of the Auxiliary we purchased new curtains for the hall.

There were no large fires this past year. We had only a few chimney fires.

The Firemen sponsored the usual Christmas party for the children of Richmond.

I would like to thank the Auxiliary and all those who have helped in any way during the past year.

Respectfully submitted,

ARTHUR E. STINSON

Fire Chief

## DISTRICT FOREST FIRE WARDEN'S REPORT

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,

CORNELIUS WOOD

District Chief

## PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — use your ashtray.

As there were no unusual events at our own library this year, I would like to tell you about the highlight activities connected with my work as President of the New Hampshire Library Association. The annual meeting was held on May 5th, at the Community Center, in Winchester. Panel discussions, speakers and a business meeting occupied the day. The profit from an attractive sale table of Stuckey's candies, bookmarkers and corsages augmented our scholarship fund. Two delicious meals were served by the Ladies Society of the Federated Church. It was a successful meeting from all aspects.

In June, I attended the combined meeting of the American Library Association and the Canadian Library Association, in Montreal. Here I met librarians from United States and Canada. Extensive exhibits of books and other library aids were well worth the price of the trip. A sight seeing tour was taken and the highlights included The Church of Notre Dame, St. Joseph's Oratory and the Wax Museum.

In October I attended the New England Library Association meeting at the New Ocean House at Swampscott, Mass. The theme of the meeting was "Other Lands — Other Peoples". The Adult Education Committee of which I was a member, staged a most interesting program on Africa, based upon the award winning Polish-American Citizens program that was presented during National Library Week at Conant Public Library in Winchester. The purpose of the program was how to interest our public in "Other Lands — Other Peoples" with library materials. Our program featured the use of books, films and records.

I have also served on the State Committee for National Library Week and the Advisory Committee for the special library survey that is being conducted by the University of New Hampshire's Public Administration Service and the State Library Commission.

It has been a busy and interesting year. I have profited much from all of the above activities and have enjoyed meeting new people. It has enriched greatly, my work as your librarian.

Respectfully submitted,

EDITH W. ATKINS

## Report of Director of Civil Defense

Board of Selectmen and Citizens of Richmond:

I hereby submit my report for the year ending December 31, 1960:

We have had four active alerts, two test alerts and two Communications alerts this year.

Your Director has met with Admiral Brinkman and the State Officers three times, in Area One County three times and operated the Civil Defense Shelter Display at the Cheshire Fair three days.

The old tramp house is now the Supply Depot and is now well equipped with Government supplies.

We have been fortunate in adding new deputies to our unit and had very good cooperation from everyone.

The four Monitors now operating are a great asset to our communications Problem, as well as to the Fire Department.

State Civil Defense Director, Admiral Brinkman, sends you his thanks for a job well done and Governor Wesley Powell has been kept informed of the accomplishments of the Town of Richmond.

For a detailed accounting of our vouchers and transactions, please refer to the Selectmen's Report under the Civil Defense heading.

Respectfully submitted,

HECTOR G. HOLM

Director

# Report of Police Chief

---

I hereby submit my report for the year 1960.

During the past year your police department has investigated seven breaks or incidents of theft and were responsible for the recovery of a stolen car.

We were called to investigate two disturbances of the peace and two deserted automobiles.

Your officers stood duty at the scene of eleven automobile accidents. We issued speeding warnings, stop sign violation warnings, and appeared in court when charges were pressed against individuals.

We were called to aid people because of emergency illnesses. Two emergencies were taken to the hospital. Many emergency calls were delivered to people who do not have telephones.

An officer has stood duty at Four Corners on school days to protect our children.

Officers have stood duty at the bingo games, old home day activities, and the Hosea Ballou observance at the church.

We collected delinquent dog taxes, destroyed five undesirable dogs, and found homes for several strays.

Your department was asked three times for cooperation by families having problems with teen-age children.

For the first time it is necessary for us to report that we had six incidents of vandalism by the youth of our town. The parents have been very cooperative.

Your department with the leadership of Danny Holmes has organized the Richmond Police Boys' Club to provide recreational activities for our town boys.

Your officers with the auxiliary civilian defense police have participated in all civilian defense alerts.

The Town Beach was patrolled this summer when necessary. Through the cooperation of the people and the enlarged parking facilities much of the congestion was relieved.

Due to the increased traffic on routes 32 and 119 and the increase in the number of accidents, stop sign violations, and speeding your department recommends that the town install a signal light at Four Corners.

We wish to thank all those who have cooperated with the police department by reporting promptly any suspicious individuals or occurrences as well as breaks.

Respectfully submitted,

ROY B. HEISE

Chief of Police

## In Memoriam

*School* With the passing of Chester C. Lees, our Union Superintendent, it is appropriate for Richmond to incorporate in our ~~Town~~ Record for all to see words of appreciation as well as grief for this man, friendly, patient, perservering, who labored for better education for our youth.

Mr. Lees' personal education is attested by the degrees conferred upon him by Harvard and Brown Universities. His personal and professional life was exemplary. Having taught before serving as Principal and Superintendent, he knew the road to adequate teaching conditions, which lay persons could not be expected to understand.

It was after much study that he became convinced that a regional school would serve more children better than most towns could do individually. His devotion to education is revealed by the vigor and steadfastness with which he devoted his last years to achieving this goal.

When a man of Mr. Lees' high character is summoned to service in a higher world, one recalls these words from "Pilgrim's Progress," as Mr. Valiant-for-Truth is summoned to the other side:

"I am going to my Father's, and though with great difficulty I have got hither, yet now I do not repent me of all the trouble I have been at to arrive where I am. My sword I give to him that shall succeed me in my pilgrimage, and my courage and skill to him that can get it. My marks and scars I carry with me, to be witness for me that I have fought his battles who now will be my Rewarder. When the day that he must go hence was come, many accompanied him to the Riverside, into which, as he went, he said, Death, where is thy sting? Grave, where is thy victory? So he passed over, and all the trumpets sounded for him on the other side."
